Copyright of images: The digital image file(s) being purchased for use are copyrighted and protected by the intellectual property laws of the United States. Images are not sold; their use is licensed and they remain the sole and exclusive property of the photographer. Image use without prior payment is a copyright violation.

Editorial photo credits and copyright: Any editorial use of the image(s) must bear the credit line: © Aaron Glenn Campbell, or that of the artist/photographer who produced the image (if specified).

Restricted Usage: All licensed images are non-transferable. "Non-transferable", as used above, means that the work produced using an image must be for your own use or for the use of your employer, client, or customer (i.e. must be the end-user of your work). You may not sell, rent, lend, give, sublicense, nor in any way transfer to anyone either the image, the CD containing that image, or the right to use them, except as described in this agreement. You may not grant any third party the right to use or duplicate an individual image or a CD of images licensed to you for usage. You agree to take all reasonable steps to prevent third parties from duplicating or distributing the individual images licensed to you.

Please Read: When you apply for a license to use any image owned by Aaron Campbell or BSG Multimedia, you must give an accurate description of the usage for which it is intended. Images are licensed for strict usage and may not be legally used in any manner other than that for which they are licensed.
